

# The Rotary Club of Oswestry Borderland

## DAIRI-PAK Mountain Bike Challenge

22nd Anniversary Saturday 9th May 2015

This annual event is run to raise money for Air Ambulance and other Rotary charities. Each rider is required to obtain sponsorship, and if you can get match funding even better, so we can raise the maximum possible for these worthy causes. Last year we were delighted to raise over £5,500.

There are two routes for this year's event. The main route, the **DAIRI-PAK Mountain Bike Challenge**, is a testing 22 mile course which is mainly off-road on tracks through the Berwyn Mountains. With the co-operation of local landowners we will have access to routes, not normally open to the public, through some beautiful scenery. The other route is a six mile family friendly ride through the countryside around Rhiwlas.

Water stations are provided around the 22 mile course followed by a complementary buffet lunch at the Rhiwlas Village Hall. The course is well marshalled (volunteers needed!) so come along with a friend or group and have a great day out.

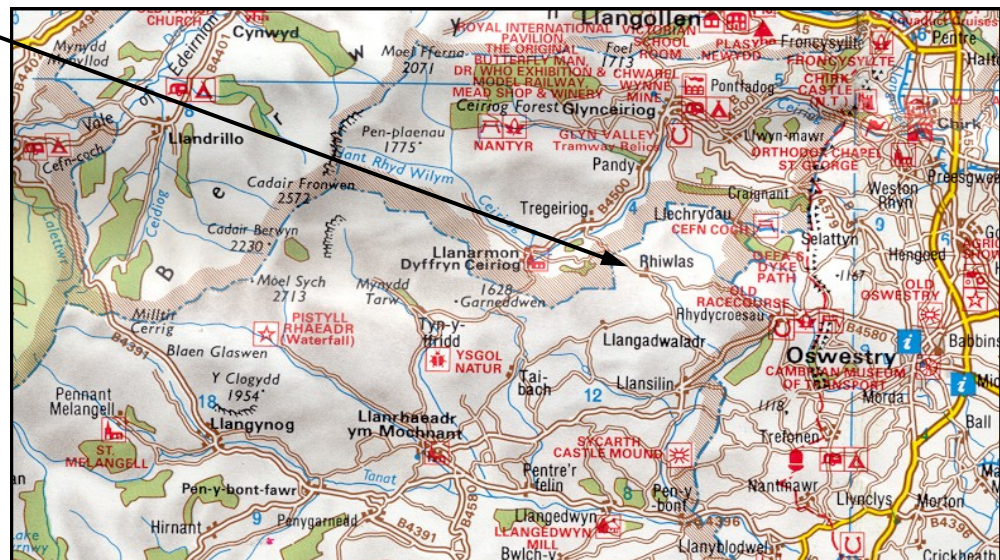

Take the Challenge

Start Times:  
Mountain Bike Challenge  
& Family Friendly Ride:  
Check-in from 8.45am  
Start 10am

Rhiwlas Village Hall
